

Petit Collage Nursery Art for Eco Trends Tuesday

by KRISTEN BANKER on JANUARY 19, 2010 in [Eco Trends Tuesday](#)

Your baby deserves the best! Not only is going green good for the environment, but also it's a great choice for their health. Newborns are especially susceptible to chemicals and pesticides, having less room to circulate the toxins throughout their body. Setting up a green, [eco-friendly nursery](#) will help you and your baby avoid chemicals.

Petit Collage is a line of modern wall decor and accessories with a vintage twist for children and grownups alike. Founder Lorena Siminovich, created the company in 2006 out of her love for illustration and design. Beginning with various styles of collages on wood, they have now grown to include [mobiles](#), [posters](#), and other products. **Petit Collage** is committed to handcrafting each product in a sustainable method to create items with the best quality and most eco-friendly materials.

Petit Collage Jungle Friends Bamboo Mobile

We're big fans of Petit Collage, both for their whimsical designs and green-sensibility. When shopping for green art pieces for you little one, you can't beat the value of Petit Collage, an eco-smart and affordable choice.
