4 things we dig | A bit of whimsy

Tabletop trend

Add a little whimsy to your summer table with these fun tumblers by BodaNova, which can be paired with matching place mats, platters and paper napkins.

\$38 for glasses (set of four). \$32 for a platter, place mats are \$32 (for four) and napkins are \$7 (pack of 20). Click! Design That Fits: 2210 California Ave. S.W., Seattle. 206-328-9252, www.ClickDesignThatFits.com

Owl love

This vibrant print from Lorena Siminovich is one of a series by different artists that Velocity Art and Design is featuring. Each print is a lithograph on heavyweight paper stock, numbered in limited edition, and hand-signed by the artist. We love these grouped in threes.

\$50 for the "Owl Love" print (17" x 14"). Velocity Art and Design: 2118 Second Ave., Seattle. 866-781-9494, www.velocityartanddesign.com.
